

Greetings Football Parents and Guardians:

The Westfield High School Football Team Booster club is a volunteer and parent run organization. We encourage all parents to make the time to participate because it is through teamwork that we achieve our greatest results. We welcome all parents to join us, attend meetings to learn more, and help us to raise the money needed to benefit our young men. One does not have to commit full time to make a difference; if everyone helps out even a little it is beneficial to our fundraising capabilities. It is also a great way to foster friendships within the Bomber Football Parents' community.

Mission Statement:

“The Westfield High School Football Booster club is comprised of parent volunteers who work to raise money to augment the purchasing ability of the WHS Bombers Football team. Working with the coaching staff we identify items that would benefit the team, review our finances and determine what items we wish to provide. Through various fundraisers, we work with the players and coaches to raise the necessary funds to make these purchases.”

To keep you informed of fundraising activities and meeting information, we maintain a Facebook page. You can find us under: **[Westfield Bombers Football](#)**. Like us and stay up to date! On our page you will find fundraising info, game pictures, and other items to keep you informed.

The Westfield High School Football Team Booster club was never designed to be an outlet for parents to voice their concerns about the coaching staff, athletic directors, athletic trainers, individual playing time or positions, or any other decisions related to the day to day management of the team. Those concerns must be addressed directly to the coaching staff or the school administration. The booster club is designed to only offer financial assistance to the team. We do not operate as intermediaries between the team administration and the parents.

We wish everyone a safe and winning season! GO BOMBERS!

Thank you,

Westfield High School Bombers Football Booster Club
